

DO NOT OPEN THIS TEST BOOKLET UNTIL YOU ARE ASKED TO DO SO

Test Booklet No. :

Series

TEST BOOKLET

GENERAL STUDIES

(Paper—I)

07749

Time Allowed : 2 Hours

Full Marks : 100

Read the following instructions carefully before you begin to answer the questions :

1. The name of the Subject, Roll Number as mentioned in the Admission Certificate, Test Booklet No. and Series are to be written legibly and correctly in the space provided on the Answer-Sheet with Black/Blue ballpoint pen.
2. Answer-Sheet without marking Series as mentioned above in the space provided for in the Answer-Sheet shall not be evaluated.
3. All questions carry equal marks.

The Answer-Sheet should be submitted to the Invigilator.

Directions for giving the answers : Directions for answering questions have already been issued to the respective candidates in the 'Instructions for marking in the OMR Answer-Sheet' along with the Admit Card and Specimen Copy of the OMR Answer-Sheet.

Example :

Suppose the following question is asked :

The capital of Bangladesh is

- (A) Chennai
(B) London
(C) Dhaka
(D) Dhubri

You will have four alternatives in the Answer-Sheet for your response corresponding to each question of the Test Booklet as below :

In the above illustration, if your chosen response is alternative (C), i.e., Dhaka, then the same should be marked on the Answer-Sheet by blackening the relevant circle with a Black/Blue ballpoint pen only as below :

**The example shown above is the only correct method of answering.**

4. Use of eraser, blade, chemical whitener fluid to rectify any response is prohibited.
5. Please ensure that the Test Booklet has the required number of pages (23) and 100 questions immediately after opening the Booklet. In case of any discrepancy, please report the same to the Invigilator.
6. No candidate shall be admitted to the Examination Hall/Room 20 minutes after the commencement of the examination.
7. No candidate shall leave the Examination Hall/Room without prior permission of the Supervisor/Invigilator. No candidate shall be permitted to hand over his/her Answer-Sheet and leave the Examination Hall/Room before expiry of the full time allotted for each paper.
8. No Mobile Phone, Electronic Communication Device, etc., are allowed to be carried inside the Examination Hall/Room by the candidates. Any Mobile Phone, Electronic Communication Device, etc., found in possession of the candidate inside the Examination Hall/Room, even if on off mode, shall be liable for confiscation.
9. No candidate shall have in his/her possession inside the Examination Hall/Room any book, notebook or loose paper, except his/her Admission Certificate and other connected papers permitted by the Commission.
10. Complete silence must be observed in the Examination Hall/Room. No candidate shall copy from the paper of any other candidate, or permit his/her own paper to be copied, or give, or attempt to give, or obtain, or attempt to obtain irregular assistance of any kind.
11. This Test Booklet can be carried with you after answering the questions in the prescribed Answer-Sheet.
12. Noncompliance with any of the above instructions will render a candidate liable to penalty as may be deemed fit.
13. No rough work is to be done on the OMR Answer-Sheet. You can do the rough work on the space provided in the Test Booklet.

N.B. : There will be negative marking @ 0.25 per 1 (one) mark against each wrong answer.

1. Consider the recent discussions surrounding the implementation of the Uniform Civil Code (UCC) in India. Which of the following statements about the UCC is/are correct?

1. Article 44 of the Constitution of India mandates the State to endeavor to secure for the citizens a UCC throughout the territory of India.

- (A) It promotes the use of genetically modified crops to enhance fertilizer absorption
 - (B) It involves the production of fertilizers through processes that significantly reduce greenhouse gas emissions
 - (C) It focuses on developing organic fertilizers using traditional agricultural methods
 - (D) It is a type of a biofertilizer that relies solely on microbial action for nutrient synthesis
9. The term 'Aralkum Desert' was recently in news in the context of environmental concerns. What is the primary reason for the formation of the Aralkum Desert?
- (A) Desertification due to extensive deforestation in the surrounding areas
 - (B) The drying up of the Aral Sea, primarily due to diversion of its feeder rivers for irrigation
 - (C) Increased seismic activity leading to land subsidence and aridification
 - (D) Long-term climate change causing persistent drought conditions
10. The 'Global Gender Gap Report', often seen in news, is published by which of the following organizations?
- (A) United Nations Development Programme (UNDP)
 - (B) World Economic Forum (WEF)
 - (C) International Monetary Fund (IMF)
 - (D) World Bank

11. The President of USA, Donald Trump announced in May 2025 his 'little problem' with 'friend' Tim Cook's plan to make iPhones in India (We're not interested in you building in India).

What may be the probable result if iPhone manufacturing is shifted to America?

- (A) The cost of the iPhones might go up
- (B) The cost of the iPhones might go down
- (C) The quality of the iPhones might deteriorate
- (D) None of the above

12. The 'Nomadic Elephant' is a joint military exercise conducted between India and which other country?

- (A) Sri Lanka (B) Bangladesh
- (C) Mongolia (D) Indonesia

13. Consider the recent decision by the World Health Organization (WHO) to add 'Noma' to its official list of Neglected Tropical Diseases (NTDs).

Which of the following statements about Noma is/are correct?

- 1. It is a severe gangrenous disease of the mouth and face primarily affecting children in poor communities.
- 2. It is highly contagious and spreads rapidly through airborne particles.
- 3. Lack of awareness and malnutrition are significant risk factors for the disease.

Select the correct answer from the codes given below.

- (A) 1 only
- (B) 1 and 2 only
- (C) 1 and 3 only
- (D) 1, 2 and 3

14. Type 5 diabetes was recently officially recognized. Which of the following is a key distinguishing factor of Type 5 diabetes?

- (A) It is directly linked to obesity and sedentary lifestyles
- (B) It is primarily associated with malnutrition
- (C) It affects only individuals above the age of 60
- (D) It is caused by an autoimmune reaction destroying insulin-producing cells

15. Which of the following was cited as the primary reason for the Air India Flight AI 171 crash that occurred on June 12, 2025, shortly after takeoff from Ahmedabad?

- (A) Engine malfunction due to poor maintenance protocols
- (B) Human error involving accidental shutdown of both engines
- (C) Lightning strike during ascent causing systems failure
- (D) Mechanical failure in the aircraft's hydraulic systems

16. The 'PM Surya Ghar Muft Bijli Yojana' was recently launched by the Indian Government. What is the primary objective of this scheme?

- (A) To provide free electricity to all rural households through centralized power grids
- (B) To achieve 300 units of free electricity per month for 1 crore households through rooftop solarization
- (C) To subsidize the purchase of electric vehicles for urban residents
- (D) To promote the use of solar energy for industrial purposes only

17. Which of the following statements best describes the Aqua Tech Park recently launched in Assam?

- (A) A water adventure park was opened in Tezpur for tourism promotion.
- (B) A flood warning centre was inaugurated in Silchar for disaster management.
- (C) India's first water technology park was inaugurated near Guwahati in July, 2025.
- (D) A solar-powered irrigation hub was developed in Jorhat for farmers.

18. The concept of 'Digital Public Infrastructure (DPI)' has gained significant traction globally, with India often cited as a leading example. Which of the following is/are key characteristic(s) of DPI?

- 1. Interoperable systems that allow seamless exchange of data and services
- 2. Government-owned and operated platforms with limited private sector involvement
- 3. Open standards and protocols that foster innovation and inclusion

Select the correct answer from the codes given below.

- (A) 1 only
- (B) 1 and 2 only
- (C) 1 and 3 only
- (D) 1, 2 and 3

19. The recent discussions regarding the expansion of the China-Pakistan Economic Corridor (CPEC) to Afghanistan have raised geopolitical concerns. Which of the following is the most likely implication of this expansion?

- (A) Increased regional stability due to enhanced economic integration
- (B) Further cementing China's strategic influence in Central and South Asia
- (C) Reduced reliance of Afghanistan on aid from Western countries
- (D) A significant decrease in cross-border terrorism in the region

- (C) A preference for technology transfer from developed to developing nations without reciprocal efforts
- (D) A strategy of shift the entire burden of climate action onto developed economies

21. Consider the following events of Assam history :

- (i) Latakata Ran
- (ii) Patharughatar Ran
- (iii) Alaboi Ran
- (iv) Phulaguri Dhewa

Rearrange the events in chronological order and select the correct order using the codes given below.

- (A) (i), (ii), (iii), (iv)
- (B) (ii), (iv), (i), (iii)
- (C) (iv), (i), (iii), (ii)
- (D) (iii), (i), (iv), (ii)

22. Match the historical monument and temples in List—I with the rulers in List—II during whose time these were constructed :

<i>List—I.</i>	<i>List—II</i>
a. Stone Bridge over Namdang	1. Pramatta Singha
b. Sukreswar Temple at Guwahati	2. Gadadhar Singha
c. Umananda Temple	3. Rudra Singha
d. Ugratara Temple	4. Siva Singha

Select the correct answer using the codes given below.

- (A) a b c d
 4 2 3 1
- (B) a b c d
 3 1 2 4
- (C) a b c d
 2 4 1 3
- (D) a b c d
 1 4 2 3

23. The Treaty of Yandaboo (1826) is a landmark event in the history of Assam. What was its most significant outcome?

- (A) It established the Ahom Kingdom as a protectorate of the British
- (B) It officially ended the First Anglo-Burmese War and ceded Assam to the British East India Company

28. The British Colonial Government hanged which one of the following persons with Maniram Dewan in 1858?
- Piyali Phukan
 - Piyali Barua
 - Gomdhar Konwar
 - Bahadur Gaonburha
29. The correct sequence from East to West of the following mountain passes is
- Nathu La—Mana Pass—Zoji La—Shipki La
 - Nathu La—Shipki La—Zoji La—Mana Pass
 - Nathu La—Shipki La—Mana Pass—Zoji La
 - Nathu La—Mana Pass—Shipki La—Zoji La
30. The Peninsular Plateau of India is composed of
- sedimentary rocks
 - metamorphic rocks
 - igneous and metamorphic rocks
 - alluvial deposits
31. The Bhakra Nangal Project is a joint venture among
- Punjab, Haryana and Rajasthan
 - Himachal Pradesh, Punjab and Haryana
 - Punjab, Delhi and Rajasthan
 - Punjab, Rajasthan and Gujarat
32. Thermal inversion in urban areas is dangerous because it
- increases rainfall
 - traps pollutants near the surface
 - increases wind speed
 - enhances UV radiation
33. The approximate distance covered by the Brahmaputra River from East to West of Assam is
- 450 km
 - 500 km
 - 600 km
 - 650 km

34. Which river in India crosses the Tropic of Cancer twice?

- (A) Sabarmati (B) Mahi
(C) Godavari (D) Krishna

35. Which glacier holds the distinction of being the longest in the Indian Himalayan region?

- (A) Bara Shigri Glacier
(B) Gangotri Glacier
(C) Siachen Glacier
(D) Zemu Glacier

36. Assam's total geographical area accounts for what percentage of total geographical area of India?

- (A) 2% (B) 2.4%
(C) 3% (D) 3.4%

37. Which of the following physical features is most prominent in the geography of Assam?

- (A) Thar Desert
(B) Coastal plains
(C) River valleys and hills
(D) Plateau regions

38. The highest peak in Assam is located in the Dima Hasao district and is known for its scenic beauty and ecological importance.

Which of the following peaks is being referred to?

- (A) Blue Mountain
(B) Saramati Peak
(C) Hempeupet Peak
(D) Tumjang Peak

39. Consider the following statements about the Fundamental Duties enshrined in the Indian Constitution :

1. They were added to the Constitution by the 42nd Amendment Act.
2. They are enforceable by law through ordinary legislation.
3. They are applicable only to citizens of India, not to foreigners.
4. They are non-justiciable in nature.

Which of the statements given above are correct?

- (A) 1, 2 and 3 only
(B) 1, 3 and 4 only
(C) 2 and 4 only
(D) 1, 2, 3 and 4

40. The Preamble of the Indian Constitution starts as follows :

"We, the people of India, having solemnly resolved to constitute India into a sovereign, socialist, secular democratic republic"

Which terms here are added through the 42nd constitutional amendment in 1976?

- (A) 'Sovereign' and 'Socialist'
(B) 'Socialist' and 'Secular'
(C) 'Secular' and 'Democratic'
(D) 'Sovereign', 'Socialist' and 'Secular'

41. Non-alignment was a key principle of India's foreign policy during the Cold War. Which of the following best reflects the core objective of non-alignment for India?

1. The share of agriculture in Assam's GSDP has been consistently decreasing, aligning with the national trend.
2. Recurrent floods significantly impact agricultural productivity in the Brahmaputra Valley, leading to lower-than-national average yields for staple crops like rice.
3. Assam has a high potential for organic farming due to relatively low chemical input usage, but faces challenges in certification and market linkages.

Which of the statements given above are correct?

- (A) 1 and 2 only
- (B) 2 and 3 only
- (C) 1 and 3 only
- (D) 1, 2 and 3

50. Match the following abbreviations in List—I with their explanatory notes in List—II :

List—I

List—II

- a. IGST 1. A tax levied on intra-State supplies of both goods and services by the Central Government and collected by it for its coffers
- b. UTST 2. A tax levied on intra-State supplies of both goods and services by the particular State Government where the sold is consumed

List—I

List—II

- c. SGST 3. A tax levied on all inter-State supplies of goods and/or services across two or more States/UTs
- d. CGST 4. A tax levied on the intra-Union Territory supply of goods/services, which do not have their own legislature

Select the correct answer using the codes given below.

- (A) a b c d
2 3 4 1
- (B) a b c d
4 2 1 3
- (C) a b c d
3 4 2 1
- (D) a b c d
1 2 3 4

51. The highest proportion of the total water used in the country is in which one of the following sectors?

- (A) Domestic sector
- (B) Agriculture sector
- (C) Industrial sector
- (D) Business sector

52. Consider the following statements regarding India's macroeconomic situation :

1. Despite global inflationary pressures, India has consistently maintained its retail inflation below the RBI's target band of $4\% \pm 2\%$.
2. India's fiscal deficit has shown a continuous declining trend as a percentage of GDP in the last three financial years.
3. Foreign Exchange Reserves in India have been consistently rising, primarily due to increased Foreign Direct Investment (FDI) inflows.

Which of the statements given above is/are correct?

- (A) 1 and 2
- (B) 2 only
- (C) 3
- (D) None of the above

53. In the context of India's external sector, which of the following scenarios would most likely lead to an appreciation of the Indian Rupee (INR) against the US Dollar (USD)?

1. A significant increase in crude oil prices globally
2. A substantial rise in Foreign Portfolio Investment (FPI) into Indian equity markets
3. An increase in remittances from Non-Resident Indians (NRIs)
4. The Reserve Bank of India selling US Dollars in the Foreign Exchange market

Select the correct answer from the codes given below.

- (A) 1 and 2
- (B) 2 and 3 only
- (C) 1, 3 and 4
- (D) 2, 3 and 4

54. Which of the following are the most prominent challenges impacting the long-term sustainability and growth of the Assam tea industry?

1. Increasing competition from other tea-producing regions globally
2. Impact of climate change leading to erratic weather patterns affecting tea production
3. Labour issues including rising wages and concerns over working conditions
4. Limited scope for value addition and diversification beyond bulk tea production

Select the correct answer from the codes given below.

- (A) 1 and 2 only
- (B) 2 and 3 only
- (C) 1, 2 and 3 only
- (D) 1, 2, 3 and 4

55. NITI Aayog CEO B.V.R. Subrahmanyam said, "We are the fourth largest economy. We are a _____ economy as I speak".

Which of the following data be mentioned in his statement?

- (A) \$ 2 trillion
- (B) \$ 3 trillion
- (C) \$ 4 trillion
- (D) \$ 5 trillion

56. Assam is a significant contributor to India's crude oil and natural gas production. Which of the following statements are correct regarding the petroleum industry in Assam?

1. Assam has four major refineries located at Guwahati, Digboi, Numaligarh and Bongaigaon.
2. Oil India Limited (OIL) is a major PSU Navratna company with significant operational presence in Assam.
3. The Numaligarh Refinery Limited (NRL) is often referred to as the 'Assam Accord Refinery'.

Select the answer from the codes given below.

- (A) 1 and 2 only
- (B) 2 and 3 only
- (C) 1 and 3 only
- (D) 1, 2 and 3

57. 'Bon Mitra Abhiyan' and 'Gaja Mitra Scheme' are recent initiatives by the Assam Government. What is the primary economic objective behind these programmes?

- (A) To promote ecotourism and generate revenue from wildlife sanctuaries
- (B) To address human-animal conflict, particularly human-elephant conflict, which impacts agriculture and rural livelihoods
- (C) To incentivize afforestation drives to combat climate change and enhance forest cover for timber production
- (D) To establish new wildlife corridors for better conservation and research purposes

58. With reference to the Production Linked Incentive (PLI) Scheme in India, consider the following statements :

1. The PLI Scheme aims to boost domestic manufacturing and make India a global manufacturing hub by offering incentives on incremental sales.
2. It primarily targets large-scale industries and does not extend to Micro, Small and Medium Enterprises (MSMEs).
3. The Scheme has been successful in attracting significant foreign investment in key sectors like electronics and pharmaceuticals.

Which of the statements given above are correct?

- (A) 1 and 2 only
- (B) 1 and 3 only
- (C) 2 and 3 only
- (D) 1, 2 and 3

59. Which three countries are hosting jointly the next 2026 FIFA World Cup?

- (A) United States of America, Mexico and Canada
- (B) Japan, South Korea and Taiwan
- (C) United Arab Emirates, Saudi Arabia and Oman
- (D) Belgium, Luxembourg and Germany

60. Match the positions of various sports bodies in List—I with the incumbents in List—II :

List—I

List—II

- | | |
|--|----------------------------|
| a. President, Indian Olympic Association | 1. Dr. Himanta Biswa Sarma |
| b. Secretary, BCCI | 2. Hemanta Kumar Kalita |
| c. Secretary General, Boxing Federation of India | 3. P. T. Usha |
| d. President, Badminton Association of India | 4. Devajit Saikia |

Select the correct answer using the codes given below.

- (A) a b c d
 1 2 4 3
- (B) a b c d
 3 4 2 1
- (C) a b c d
 2 3 4 1
- (D) a b c d
 4 2 1 3

61. After whose name the iconic Sarusajai Sports Complex in Guwahati will now be known?

- (A) Arjun Lovlina Borgohain
- (B) Arjun Hima Das
- (C) Arjun Bhogeswar Baruah
- (D) Arjun Monalisa Baruah Mehta

62. The annual 'Moh Juj' (Buffalo fight) is a traditional event in Assam, particularly associated with Magh Bihu. Despite its cultural significance, it was faced considerable scrutiny and legal challenges. Which of the following statements best explains the core ethical dilemma surrounding 'Moh Juj' and similar traditional animal sports in Assam?

- (A) The economic benefits derived from these events outweigh the concerns about animal welfare.
- (B) The preservation of cultural heritage should always take precedence over rights.
- (C) There is a conflict between upholding traditional practices and adhering to evolving animal protection laws and ethical standards.
- (D) The fights are purely symbolic and do not involve any actual harm to the animals.

63. Which of the following best represents a major challenge associated with India's current economic growth trajectory?

- (A) Rapid decline in service sector contribution
- (B) Increasing dependency on oil imports
- (C) Equitable distribution of growth benefits across regions and populations
- (D) Shrinking size of the working-age population

64. Sattriya is one of India's classical dance forms originating from Assam. What distinguishes Sattriya from other Indian classical dance forms in terms of its historical context and purpose?

- (A) Sattriya focuses on the exposition of Vaishnava philosophy through dance and is traditionally performed in monasteries (Satras)
